Dear Sir,

48 Sinah Lane, Hayling Island, PO11 0HH

Demolition of existing dwelling and erection of replacement dwelling including new summer house and garage with ancillary accommodation together with new driveway access with associated landscaping.

Thank you for consultation on the above planning application.

Having reviewed the documentation submitted in support of the above planning application Highways Development Planning is satisfied that the proposal would have no detrimental impact on highway safety or operation. A recommendation of no objection would therefore be given.

The applicant should note that a Section 184 licence will be required to construct the new access, further details of which are available via the following link:
<https://www.hants.gov.uk/en/transport/developers/section-184>.

Yours sincerely,

Chris Hirst
