Subject: RE: Land to west of Coldharbour Farm Road - Footpath amendment

Dear Lesley

Please find attached a copy of the original grazing license. By way of a note is the fact the license has continued annually since January 2010 until such time as the application for the current development was made, at which point the horses were removed from the site.

The nitrate budget calculation has been based on the land use that has subsisted on the site and is therefore correct.

Kind regards

Kris
