Dear Sir/Madam,

Proposal: Residential development comprising 69 No. dwellings with access from St George's avenue together with access, car parking, landscaping, electrical substation and associated
Site: APP/18/01033: - Land East of, Castle Avenue, Havant, PO92 RY.

Southern Water has recently undertaken more detailed network modelling as part of a network growth review. The results of this assessment indicates that the additional foul and surface water sewerage flows from the proposed development will not increase the risk of flooding in the existing public sewerage networks. Southern Water can hence facilitate foul and surface water sewerage disposal to service the proposed development.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).
