Comments

Further to comments made on 11 November 2020, it is noted that the applicant has provided further information as to the likely intensity of use of the proposed garage. Based on this information, the Highways Authority has confirmed that they have no objection to the proposal.

Since the purpose of policy IN4, which gave rise to the policy objection, is to ensure the proper and safe operation of the A3023, and the Highway Authority is satisfied on this point, it is possible to also withdraw the objection on policy grounds.
