Road Network (SRN). The SRN is a critical national asset and as such works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

This response represents our formal recommendations with regard to the Land west of, Hulbert Road, Havant, PO9 3TB application and has been prepared by Glen Strongitharm.

Highways England has no objection to the Outline planning application with all matters reserved except access for the development of up to 120 dwellings and associated improved site access, landscaping, footpaths, SuDS and other associated works on land to the west of Hulbert Road, Havant subject to the below proposed planning condition to mitigate the impact on the A3(M) by the development proposal:

1. No development shall take place until detailed plans of the bund together with supporting information to include documentation in accordance with CD622 – Managing Geotechnical Risk have been submitted to and approved in writing by the Local Planning Authority (in consultation with Highways England).

Reason: To mitigate any adverse impact from the development on the A3(M). To ensure that the A3(M) continues to be an effective part of the national system of routes for through traffic in accordance with section 10 of the Highways Act 1980 and to satisfy the reasonable requirements of road safety.
