Dear Sir/Madam,

Proposal: Construction of 1No. detached 3 bedroom dwelling with associated parking and access, landscaping and refuse cycle store.

Site: APP/20/00551: - Land adjacent to 1 Westland Drive, Waterlooville, PO7 5UG.

Thank you for your letter dated 23/03/2021.

Southern Water requires a formal application for a connection to the public foul sewer to be made by the applicant or developer.

To make an application visit: southernwater.co.uk/developing and please read our New Connections Services Charging Arrangements documents which are available on our website via the following link: southernwater.co.uk/developing-building/connection-charging-arrangements

The Council's Building Control officers or technical staff should be asked to comment on the adequacy of soakaways to dispose of surface water from the proposed development.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.
