Dear Madam,

21 Park Avenue, Waterlooville, PO7 5DN

Demolition of existing bungalow and construction of a pair of semi-detached four bed dwellings.

Thank you for consulting the Highway Authority on the above application.

The erection of two new dwellings will require the implementation of a new dropped kerb to provide vehicular access to one of the properties, whilst the other will be served by the existing dropped kerb. The applicant should note that a Section 184 licence will be required to implement the dropped kerb, details of which are available via the following link: <https://www.hants.gov.uk/transport/parking/droppedkerbs>.

In their capacity as local parking authority, Havant Borough Council should determine whether the proposed quantum of parking meets adopted standards.

Having reviewed the documentation submitted in support of the above planning application Highways Development Planning is satisfied that the proposal would have no detrimental impact on highway safety or operation. A recommendation of no objection would therefore be given.

*Director of Economy, Transport and Environment
Stuart Jarvis BSc DipTP FCIHT MRTPI*

Yours sincerely,

Chris Hirst
