Subject: Land at Lower Road, Havant, PO9 3NB - APP/20/01031, 50 dwellings

fao Daphney Haywood

Thank you for the opportunity to comment on the planning application for 50 dwellings at Lower Road, Havant. This development sits in the catchment areas of Bidbury Infant and Junior Schools and Warblington Secondary School. The anticipated yield from the development is 2 pupils per year group. Although the Bidbury pair of schools are full they only achieve this by out catchment recruitment. The yield from the development at Lower Road will be able to be accommodated at the Bidbury Schools without the need for any expansion as the out catchment recruitment can diminish over time with these out catchment pupils being able to be accommodated in their catchment school. Consequently I will not be seeking a contribution from the developers to provide any additional primary school places. Similarly there are places available at Warblington Secondary School to accommodate the yield of pupils at secondary age and, again, I will not be seeking a contribution to provide any additional secondary school places.

Kind regards,
Martin Shefferd
