Subject: RE: Power Generation Facility, Southmore Lane, Havant APP/20/00833 [NLP-DMS.FID687823]

Dear David

Further to your letter referenced in Sarah's email below and in response to Hampshire Highways query over the operational vehicular movements, I can confirm that there will be between 1-2 small vans per week visiting the site. I trust this now allows you to re-consult with County Highways on this matter.

If you need any more information, please let me know.

Kind regards
Melissa
