Dear Sir,

148 Hambledon Road, Waterloo, PO7 6XA

Thank you for consulting the Highway Authority on the above application.

Based on the plans provided, it is currently unclear whether the applicant intends to relocate and/or extend the existing dropped kerb serving the property.

If the applicant intends to relocate or extend the existing dropped kerb, a Section 184 licence will be required, further details of which are available via the following link: <https://www.hants.gov.uk/transport/parking/droppedkerbs>. The Highway Authority does not object to amending the existing dropped kerb but requires further information to confirm the applicant's intentions.

The Highway Authority would like to see the point above addressed before a recommendation can be made on the application.

Yours sincerely,

Chris Hirst
