For: Mr Heather
JNP Developments & Investments Ltd

**The Town and Country Planning (Development Management Procedure) (England)
Order 2015
Grant of Planning Permission**

Application Number: APP/20/00936

Site Address: 5-7 East Street, Havant, PO9 1AA

Proposal: Erection of 4 storey residential building comprising of 1 No one bed apartment and 7 No two bed apartments.

Further to your application received on 07 October 2020, which was valid from 27 October 2020, Havant Borough Council, as Local Planning Authority **Grants Planning Permission** for the above proposal in accordance with the submitted plans and particulars as detailed below.

This permission is subject to compliance with:

- (i) The plans and other documents submitted with regard to your application; and
- (ii) The following conditions:

Conditions:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.
- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Site plan - 20/10/P01
Location plan - 20/10/L01
Block Plan - 20/10/B01 Rev:A
Proposed Ground and first floor floor plans - 20/10/P02 Rev D
Proposed Second and Third floor plans - 20/10/P03 Rev:B
Amended proposed general arrangement and elevations 20/10/P04 Rev:F
Landscaping plan - 20/10/LS01 Rev:A
Proposed section B-B 20/10/P10

Reason: - To ensure provision of a satisfactory development.

Our Ref: APP/20/00936

- 3 Notwithstanding what is shown on the drawings or submitted with the application, no work shall commence until full details, including samples of the external materials and finishes have been submitted to, and approved in writing by the Local Planning Authority. All work shall be carried out in full accordance with such approval.
Reason: To ensure the materials and finishes are appropriate to this key site with St Faiths conservation area in accordance with policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 4 No development shall take place until the applicant has secured the implementation of a programme of archaeological evaluation in accordance with a Written Scheme of Investigation that has been submitted to and approved by the Planning Authority.
Reason: To mitigate the effect of the works associated with the development upon any heritage assets and to ensure that information regarding these heritage assets is preserved by record for future generations and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 5 No development shall take place until the applicant has secured the implementation of a programme of archaeological mitigation of impact, based on the results of the trial trenching, in accordance with a Written Scheme of Investigation that has been submitted to and approved by the Local Planning Authority.
Reason: To mitigate the effect of the works associated with the development upon any heritage assets and to ensure that information regarding these heritage assets is preserved by record for future generations and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 6 Following completion of archaeological fieldwork, a report shall be produced in accordance with an approved programme including where appropriate post-excavation assessment, specialist analysis and reports, publication and public engagement.
Reason: To contribute to our knowledge and understanding of our past by ensuring that opportunities are taken to capture evidence from the historic environment and to make this publicly available and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 7 No piling shall take place until a piling method statement (detailing the depth and type of piling to be undertaken and the methodology by which such piling will be carried out, including measures to prevent and minimise the potential for damage to subsurface water infrastructure, vibration and the programme for the works) has been submitted to and approved in writing by the Local Planning Authority in consultation with Portsmouth Water. Any piling must be undertaken in accordance with the terms of the approved piling method statement.
Reason: The proposed works are in a sensitive groundwater catchment and there are potentially significant risks associated with groundworks in this area. Piling has the potential to impact on the drinking water source and therefore the applicant is advised to contact Portsmouth Water to discuss the details of the piling method statement and having due regard to Policy DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 8 In the event that public sewers are found at any time when carrying out the approved development which were not previously identified, development shall STOP until details of the measures which will be undertaken to protect the public sewer have

been submitted to and approved in writing by the Local Planning Authority. Following approval, such measures shall be implemented on site in complete accordance with the approved details unless otherwise agreed in writing by the Local Planning Authority.

Reason: To ensure the adequate protection of infrastructure having due regard to Havant Borough Local Plan (Core Strategy) policies CS19 and DM10 and the National Planning Policy Framework.

- 9 No development (other than works of demolition) shall commence until further details of all proposed doors and windows have been submitted to and approved in writing by the Local Planning Authority. The door and window details to be submitted shall include:

- a) a 1:20 plan, section and elevation shown in relation to the opening into which it is to be set,
- b) full size glazing bar section,
- c) the method of opening and external finishes, and
- d) manufacturers' details.

All work shall be carried out in full accordance with such approval and be retained thereafter.

Reason: To ensure the detailing is appropriate to this key site within the St Faiths Conservation Area and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 10 Details of the siting and design of any proposed external meter boxes/metal ducting/flues shall be submitted to and approved in writing by the Local Planning Authority prior to the commencement of development. All work shall be carried out in full accordance with such approval and be retained thereafter.

Reason: To protect the character and appearance of the conservation area in accordance with policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011.

- 11 No development (other than demolition) hereby permitted shall commence until a specification of the materials to be used for the surfacing of all open parts of the site (including the pedestrian right of way at the rear of the site) proposed to be hardsurfaced has been submitted to and approved in writing by the Local Planning Authority. The development hereby permitted shall not be occupied until the implementation of all such hardsurfacing has been completed in full accordance with that specification.

Reason: In the interests of the amenities of the locality and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 12 No development (other than demolition) shall commence until plans and particulars specifying the provision to be made for external lighting of the same has been submitted to and approved in writing by the Local Planning Authority. There shall be no external lighting on the site other than as thereby approved.

Reason: To safeguard the amenities of the locality and in the interests of traffic safety and having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 13 The cycle parking, servicing and other vehicular access arrangements shown on the approved plans to serve the development hereby permitted shall be made fully available for use prior to the development being first brought into use and shall be retained thereafter for their intended purpose.

Reason: In the interests of highway safety and having due regard to policy DM13 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

14 The development hereby permitted shall not be occupied until:

- (a) A water efficiency calculation in accordance with the Government's National Calculation Methodology for assessing water efficiency in new dwellings has been undertaken which demonstrates that no more than 110 litres of water per person per day shall be consumed within the development, and this calculation has been submitted to, and approved in writing by, the Local Planning Authority; and
- (b) All measures necessary to meet the approved water efficiency calculation have been installed.

Reason: There is existing evidence of high levels of nitrogen and phosphorus in the water environment with evidence of eutrophication at some European designated nature conservation sites in the Solent catchment. The PUSH Integrated Water Management Strategy has identified that there is uncertainty as to whether new housing development can be accommodated without having a detrimental impact on the designated sites within the Solent. Further detail regarding this can be found in the appropriate assessment that was carried out regarding this planning application. To ensure that the proposal may proceed as sustainable development, there is a duty upon the local planning authority to ensure that sufficient mitigation is provided against any impacts which might arise upon the designated sites. In coming to this decision, the Council have had regard to Regulation 63 of the Conservation of Habitats and Species Regulations 2017, Policy CS11 of the Havant Borough Local Plan (Core Strategy) 2011, and Policy E14, EX1 and E12 of the Pre-Submission Havant Borough Local Plan.

15 At all times following occupation of the development hereby approved, all measures necessary to meet the approved water efficiency calculation shall be maintained so as to ensure that no more than 110 litres per person per day shall be consumed in the development in perpetuity.

Reason: There is existing evidence of high levels of nitrogen and phosphorus in the water environment with evidence of eutrophication at some European designated nature conservation sites in the Solent catchment. The PUSH Integrated Water Management Strategy has identified that there is uncertainty as to whether new housing development can be accommodated without having a detrimental impact on the designated sites within the Solent. Further detail regarding this can be found in the appropriate assessment that was carried out regarding this planning application. To ensure that the proposal may proceed as sustainable development, there is a duty upon the local planning authority to ensure that sufficient mitigation is provided against any impacts which might arise upon the designated sites. In coming to this decision, the Council have had regard to Regulation 63 of the Conservation of Habitats and Species Regulations 2017, Policy CS11 of the Havant Borough Local Plan (Core Strategy) 2011, and Policy E14, EX1 and E12 of the Pre-Submission Havant Borough Local Plan.

16 No development shall start on site until a construction method statement has been submitted to and approved in writing by the Planning Authority, which shall include:

- (a) A programme of and phasing of demolition (if any) and construction work;
- (b) The provision of long term facilities for contractor parking;
- (c) The arrangements for deliveries associated with all construction works;

- (d) Methods and phasing of construction works;
- (e) Access and egress for plant and machinery;
- (f) Protection of pedestrian routes during construction;
- (g) Location of temporary site buildings, compounds, construction material, and plant storage areas;

Demolition and construction work shall only take place in accordance with the approved method statement.

Reason: In order that the Local Planning Authority can properly consider the effect of the works on the amenity of the locality in accordance with policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011.

- 17 No development shall take place until a Land Contamination Desk Study has been carried out identifying the previous land uses and a qualitative risk assessment presenting the potential sources, pathways and receptors and their linkages.

Reason: In the interests of the nearby environmentally sensitive areas and having due regard for Policy DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

Other Important Information:

- (1) This notice only relates to the decision of Havant Borough Council as Local Planning Authority under the Town and Country Planning Acts. It does not relate to any other application that may be required under the Building Regulations or under any other Act, Regulation, Byelaw or Order where the Council's approval may be needed. For further guidance as to the need for consent under the Building Regulations please phone 023 9244 6571.
- (2) Your attention is drawn to the attached information regarding firstly your right to appeal to the Planning Inspectorate, if you are aggrieved by the Council's decision, and secondly the rights of an owner to, in certain circumstances serve a purchase notice on the Council. See www.planningportal.gov.uk/pcs.
- (3) Any failure to adhere to the details of the approved plans, and other documents or to comply with any conditions listed above may lead to enforcement action being taken by the Council. If you wish to depart from the approved details or conditions in any way you should contact the Planning and Development service at the Plaza or by telephoning 023 9244 6015.
- (4) In accordance with paragraphs 38-50 of the NPPF Havant Borough Council (HBC) takes a positive and proactive approach and works with applicants/agents on development proposals in a manner focused on solutions by:
 - Offering a pre-application advice service, and
 - Updating you of any issues that may arise in the processing of your application and where possible suggesting solutions, and,In this instance:
 - You were updated about issues after the initial site visit, and amended plans were received.
- (5) Please note the following consultation advice received from Southern Water:
It is possible that a sewer now deemed to be public could be crossing the

development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

Southern Water requires a formal application for a connection to the public foul and surface water sewer to be made by the applicant or developer.

To make an application visit developerservices.southernwater.co.uk and please read our New Connections Services Charging Arrangements documents which are available on our website via the following link: southernwater.co.uk/developing-building/connection-charging-arrangements

In situations where surface water is being considered for discharge to our network, we require the below hierarchy for surface water to be followed which is reflected in part H3 of the Building Regulations. Whilst reuse does not strictly form part of this hierarchy, Southern Water would encourage the consideration of reuse for new developments.

- Reuse
- Infiltration
- Watercourse
- Storm sewer
- Combined Sewer

Guidance on Building Regulations is here: gov.uk/government/publications/drainage-and-waste-disposal-approved-document-h

We would like to engage with you on the design for disposal of surface water for this development at the earliest opportunity and we recommend that civil engineers and landscape architects work together and with Southern Water. In many cases this may negate or reduce the need for network reinforcement and allow earlier completion of the development.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).

TOWN AND COUNTRY PLANNING ACT 1990

NOTIFICATION TO BE SENT TO AN APPLICANT WHEN A LOCAL PLANNING AUTHORITY REFUSE PLANNING PERMISSION OR GRANT IT SUBJECT TO CONDITIONS

- These notes are for information only and do not purport to set out the law on the subject.
- Only the applicant possesses the right of appeal.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice and you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier.
- If this is a decision to refuse planning permission for a householder application and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse planning permission for a minor commercial application and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse express consent for the display of an advertisement and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.
- If this is a decision to refuse consent to work on a tree which is subject to a Tree Preservation Order and you want to appeal against your local planning authority's decision then you must do so within 28 days of the date of this notice.
- If this is a decision to refuse any other type of application and you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- **Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.**
If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry, then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)
