Comment Details

Commenter Type: Further Comments

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: The property in question is over looked by the property next door due to an extension and by the one at the rear which also over looks the property in question and the one to the right. The property to the right with concerns about privacy has since put the bungalow on the market and so the issue of privacy will no longer be a factor for the owner in question.
