Dear Sir,

Site of, 19 St Peters Avenue, Hayling Island

**Construction of new dwelling to replace house demolished under Planning
Permission 97/61610/000.**

Thank you for consultation on the above planning application.

The applicant is proposing to construct a new dwelling and vehicular access on St Peters Avenue. While it is noted that the new access will be located less than 10m away from the minor junction, traffic flows are low along St Peters Avenue and the new access will mirror those already provided along the road.

The Highway Authority therefore raise no objection to the application, subject to the applicant securing a Section 184 licence, further details of which are available on the following link: <https://www.hants.gov.uk/transport/developers/section-184>.

Yours sincerely,

Chris Hirst
