Dear Planning,

I can confirm that the 'Summary of the benefits of Havant Thicket Reservoir' additional information document that has recently been submitted gives an appropriate balance to the sustainability overview of the proposals at the site.

The ideas and background demonstrate that wider social and economic benefits will be delivered in the scheme and that there are opportunities for such benefits to grow as the detail of the project evolves.

Regards

Andrew Biltcliffe

Notes for Consultees using Consultee In Tray on Public Access

You will be able to access the full range of services on Public Access by using the Consultee In Tray which can be found under the My Profile tab.

Consultee Access allows you to see documentation that is not in the public domain (usually our pre-application enquiries) and saves your previous consultation responses.

If you have not yet registered your details on the website, please follow the instructions online and then email planning.development@havant.gov.uk to allow us to activate your consultee access and if you are experiencing problems with your access please let us know.

We can provide a User Guide on request.
