APP/20/00901 – Extensive tree works

Apologies for the delay in replying. I appreciate the decision was made 9-12-2020, but wanted the Council to have a record of The Conservancy's views for its electronic file.

Having regard to the policy framework* below, the Conservancy raises no objection to the proposed tree works, is pleased to see the trees are being maintained and hopefully the works will be carried out, outside the bird nesting/breeding season.
