Your ref - APP/20/00972 - Erection of temporary sales arena - Forty Acres, Havant Road, Havant, PO9 3LW

Thank you for consulting us on the above application.

No objection subject to mitigation

The proposals are located on a Solent Wader & Brent Goose Strategy site identified as a Secondary Support Area. We are aware that bespoke mitigation package to address the loss of supporting habitat for the Solent SPAs has been secured for the wider Forty Acres site under planning permission APP/18/00450, including a CEMP. Provided these mitigation measures are secured and the APP/20/00972 proposals are constructed in line with the CEMP we are satisfied that these proposals will not result in visual or noise disturbance.

This detail should be included in the Appropriate Assessment to ensure there is no adverse impact from the construction work on the adjacent designated sites and its functional land.

Please send planning consultations to Natural England by email to: consultations@naturalengland.org.uk.

Natural England offers two chargeable services – The Discretionary Advice Service ([DAS](#)) provides pre-application, pre-determination and post-consent advice on proposals to developers and consultants as well as pre-licensing species advice and pre-assent and consent advice. The Pre-submission Screening Service ([PSS](#)) provides advice for protected species mitigation licence applications.
