23rd October 2020 —

Dear Mr. Eaves,

FORMER SITE OF COLT INTERNATIONAL LTD, NEW LANE, HAVANT, PO9 2LY **– DISCHARGE OF CONDITIONS**

Thank you for your letter of the 13th October 2020 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention at this time.

Planting within the area of the Public Open Space (POS) adjacent to plot number 34 should be such it does not obscure natural surveillance of the POS from the nearby dwellings or the public realm. The planting should be such that it does not create a place within which a person might lie-in-wait unseen.

To prevent access to the rear boundary treatment of plot number 34 planting within the POS should be placed adjacent to the rear boundary treatment of plot number 34. The planting should be 1m high and close enough to the fence so as not create gap. Any trees planted within the POS should not provide a means of overcoming the boundary treatment.

Planting along the footpath should be such that it does not obscure natural surveillance along the footpath nor create a place within which a person might lie-in-wait unseen. Any trees planted along the footpath must not interfere with the spread of light from the lamp columns.
