(DEVELOPMENT MANAGEMENT PROCEDURE ENGLAND) ORDER 2015**

Planning Application Reference:	APP/20/00895
Proposal:	Proposed single storey front extension and rear extensions at both ground and first floor levels.
Location:	Bayith Rest Home, 18-20 Bevan Road, Waterlooville, PO8 9QH
Date:	10 November 2020

Portsmouth Water have reviewed the application for a single storey front extension and rear extensions.

The site is located in Source Protection Zone 1c (SPZ1c) for an essential public water supply source. The SPZ1c relates to subsurface activity only, where the Chalk aquifer is confined and may be impacted by deep drilling activities. Subterranean activities may pose a risk to groundwater quality and the local public water supply source.

Portsmouth Water have no adverse comments on this application as there is no piling and/or deep excavations which will impact the underlying Principal Aquifer as part of these works.
