

LAND SOUTH OF LOWER ROAD BEDHAMPTON, HAVANT

PUBLIC CONSULTATION

Thursday 8th March 2018, 2:30pm - 6:30pm

Bedhampton Social Centre, 21 Bedhampton Road, Havant PO9 3ES

In December 2016 Havant published a Housing Statement in response to a shortage of land for housing in the Borough. The land at Lower Road was identified as a potential site to provide for 50 dwellings.

One of the guiding principles set out by the Council was that the Adopted Local Plan would provide a starting point for the determination of applications but due weight would be given to the changing five year supply of housing land. Planning permission will be granted for housing proposals on appropriate and sustainable sites identified in the Adopted Local Plan and the Local Plan Housing Statement.

Land South of Lower Road has been screened and is considered by the Council to be deliverable and developable.

PUBLIC EXHIBITION

The purpose of the Exhibition is twofold, to share information with you and to explain the emerging ideas for the development of the site and to receive your comments concerning the proposals. A Development Consultation Forum with Havant BC will follow in due course where you will have another opportunity to engage in the process.
