Dear Madam,

108A London Road, Widley, Waterloooville, PO7 5AA

Proposed front boundary wall

Thank you for consultation on the above planning application.

The applicant is proposing to erect a boundary wall to the west of 108A London Road. The property is served via an existing dropped kerb on London Road. Given the slow speed at which vehicles will be leaving the property through the gates and the set back from the highway, the proposed wall is not considered to impact on the safety of the access.

The Highway Authority therefore raise no objection to the proposal.

Yours sincerely,

Chris Hirst
