

In regards to this planning application can I request that the developer is reminded of:

- Safe access for 26t Refuse Collection Vehicle, space for vehicle to safely manoeuvre.
- Alternate weekly waste / recycle collections
- Adequate storage space for waste/recycling bins: Each apartment will be entitled to 240 litre capacity for waste and 240 litre capacity for recycling. The standard bin size for multi occupancy property is 1100 litre.
240 litre x 191 apartments = 41 bins x 2 = 82 bins.

The developer can decide whether to have fewer bins.

- Bins will not be collected if the collection point is further than 25 metres.

Kind regards

Peter

Subject: Planning Application APP/20/00658 Proposed Development site (former Electricity Board site), Bartons Road, Havant

This email is a consultation request regarding a planning application, reference APP/20/00658. The attached letter contains contact details should you wish to discuss the application with the Case Officer.

To see the details of the application and associated documents on Havant Borough Council's Public Access pages, follow [this link](#).

If you require any further information please email planning.development@havant.gov.uk or telephone (023) 9244 6549.

[Notes for Consultees using Consultee In Tray on Public Access](#)

You will be able to access the full range of services on Public Access by using the Consultee In Tray which can be found under the My Profile tab.

Consultee Access allows you to see documentation that is not in the public domain (usually our pre-application enquiries) and saves your previous consultation responses.

If you have not yet registered your details on the website, please follow the instructions online and then email planning.development@havant.gov.uk to allow us to activate your consultee access and if you are experiencing problems with your access please let us know.

We can provide a User Guide on request.
