

Recommendation: GRANT A CERTIFICATE OF LAWFUL USE

7.4 Under Class A the proposed single storey rear extension meets the following tests:

- (a) Permission to use the dwellinghouse as a dwellinghouse has not been granted only by virtue of Class M, N, P or Q of Part 3 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (changes of use)
- (b) The extension will not result in over 50% of the total area of the curtilage being covered by buildings (excluding the original dwellinghouse)
- (c) The height of the extension will not exceed the highest part of the roof of the existing dwellinghouse
- (d) The height of the eaves of the extension will not exceed the highest part of the eaves of the existing dwellinghouse
- (e) The extension will not extend beyond a wall which forms either the principle elevation of the original dwellinghouse or fronts a highway and forms a side elevation of the original dwellinghouse
- (f) The extension will have a single storey and will not extend more than 4m from the rear wall of the existing dwellinghouse, nor will it exceed 4m in height
- (g) Not relevant in this application as within permitted development limits
- (h) Not relevant in this application as the extension is single storey
- (i) Although the extension will be within 2m of the boundary of the curtilage, the eaves height will not exceed 3m
- (j) Not relevant in this application as the development will be located to the rear of the dwelling
- (k) The proposal does not include the construction or provision of a veranda, balcony or raised platform; it does not include the installation, alteration or replacement of a microwave antenna; it does not include the installation, alteration or replacement of a chimney, flue or soil and vent pipe, or the alteration to any part of the roof of the dwellinghouse.

7.5 A2 - The application site is not situated within Article 2(3) land.

7.6 A3 - The Plans received 23 July 2020 confirm that the conditions in A3 would be met (i.e. materials to be of a similar appearance to those on the existing dwelling).

7.7 A search of the planning history has not revealed any conditions that restrict 'permitted development' rights, nor is the dwelling part of an Article 4 direction.

8 Conclusion

8.1 There is sufficient evidence as detailed in the submitted documentation to prove that the addition of a single storey rear extension is permitted development under the Town and Country Planning (General Permitted Development) (England) Order 2015, Part 1 'Development within the curtilage of a dwelling house', Class A.1.
