Dear Mrs Crawford,

Planning Application APP/20/00665 Covered Storage Manor House, Manor Road, Hayling Island, PO11 0QW

Thank you for your consultation. Although the proposal involves the demolition of a building it would appear from the plans that supporting the additional replacement structure will involve only limited ground works. The site is the location of a medieval grange and as such has a high archaeological potential to encounter archaeological evidence relating to the date and layout of the grange. However in view of the limited proposed groundworks I would not raise any archaeological issues.

Yours sincerely
