Dear ,

Unit 1, Gorrion House, 9 Sea Front, Hayling Island

Change of use from shop (A1) to dog grooming salon (Sui Generis).

HBC will need to determine in their capacity as local parking authority that the level of parking provision proposed falls in line with adopted standards.

The proposal is unlikely to result in any significant traffic generation and it is considered that a substantial proportion of visitors would be on foot due to the location and nature of the proposal and public parking is available within the local area.

In line with the above, Highways Development Planning arises no objections to this proposal.

Yours sincerely,

Alistair McMurray
