Dear Bee,

Further to your email dated 26th August, please find attached our schedule of existing and proposed finishes for the extension at 30 Manor Close, to discharge Condition 2 of Planning Permission APP/18/00588.

The extension has been designed to mirror next door's kitchen extension from the front and the finishes are to blend in with the main house, and the neighbour's house at No 29 to provide continuity.

I hope this is acceptable and we will look forward to your feedback.

Kind regards,
Louise
