

A detailed floor plan of a house. The main structure includes a Living Room at the top, a Kitchen to its right, and a WC (Water Closet) below the Living Room. A staircase labeled 'UP' is located between the Living Room and the WC. A curved driveway is on the left side of the house. A separate building labeled 'Garage' is attached to the right side of the main house. A row of trees is shown at the bottom of the plan, and a curved path or road is on the left.

The architectural floor plan shows a house with a garage, living room, and dining room. The plan includes dimensions for rooms and overall site measurements. A car is shown parked in the garage, and another car is shown parked outside. The plan also shows a driveway, a front yard with trees, and a back yard with a swimming pool and a pergola.

Room Dimensions:

- Living Room: 3150 x 2900
- Dining Room: 3800 x 2900
- Garage: 3000 x 2400
- Bedroom: 1019 x 900
- Bathroom: 600 x 900
- Kitchen: 2445 x 1450
- Hallway: 1480 x 1480
- Staircase: 1019 x 900

Overall Site Dimensions:

- Overall Width: 12746
- Overall Depth: 10800
- Front Yard: 3000 x 2400
- Back Yard: 4565 x 2445
