**The Town and Country Planning (Development Management Procedure) (England)
Order 2015
Refusal of Planning Permission**

Application Number: APP/20/00315

Site Address: Hayling Garage, 2-4 Church Road, Hayling Island

Proposal: Single storey side extension to create a work shelter. (Retrospective Application)

Further to your application received on 21 April 2020, Havant Borough Council, as Local Planning Authority, **Refuses Planning Permission** for the above proposal.

The reasons for the Council's decision to refuse planning permission are:

- 1 Development of the site in the manner proposed and on the basis of the information available would not provide adequate provision for car parking in accordance with the Local Planning Authority's adopted standards and would therefore encourage the parking of vehicles on the public highway, leading to indiscriminate parking, detrimental to amenity. The proposal is therefore contrary to policies CS16 and DM14 of the Havant Borough Local Plan (Core Strategy) 2011, the adopted Havant Borough Council Parking SPD 2016 (partially updated September 2019) and the National Planning Policy Framework.
- 2 The proposed side extension by virtue of its position, design, materials and visibility from both Church Road and Tournurbury Avenue, is considered overly bulky and harmful to the character of this mainly residential area. The proposal is therefore considered to harm the visual appearance of the streetscene and the proposed development would be detrimental to the character and visual amenities of the area. The proposal is therefore contrary to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011, Havant Borough Council Borough Design Guide SPD 2011 and the National Planning Policy Framework.

In coming to its decision the Council considered plans and other documents submitted with regard to your application and the relevant policies of the Havant Borough Local Plan and other planning policy documents including the National Planning Policy Framework.
