Dear Lesley,

162 Stakes Hill Road, Waterlooville

Erection of two and half storey / 7 apartment block - after demolition of existing dwelling

I refer to your consultation in relation to the revised visibility splay drawings.

I would have preferred to have had the visibility splay to the north ending at the nearside edge of the cycleway, but accept the likelihood of a cyclist travelling southbound as far as possible on the west side of the cycleway as possible just as a vehicle is emerging from the access is remote. i therefore confirm the Highway Authority have no objection to this revised plan subject to an amendment to condition numbered 1 in my earlier letter dated 9 January. The amendment being to change the 23m to 15m. and add a "m" after "2".

Yours sincerely,

Ray Alborough
