

Consultee Comments for Planning Application APP/20/00285

Application Summary

Application Number: APP/20/00285

Address: Recreation Ground, Hobby Close, Wecock, Waterlooville

Proposal: Land raising of the recreation ground at Hobby Close Field using inert clean soil material to solve inherent drainage problems in ground and provision of sports field. Temporary construction routes from Eagle Avenue to the east and north of the site. These works would also allow for new play area and skate park to replace the existing ones on site (the play area and skate park works do not require planning permission).

Case Officer: Daphney Haywood

Consultee Details

Email: harry.mitchell@havant.gov.uk

On Behalf Of: Landscape Team

Comments

Additional landscape comment

- We have concerns with the siting of an attenuation pond within the toddlers play area and the potential health and safety risk that this could create. As such we require further details on the attenuation pond, which must include cross sections drawings, information on the expected water levels and provide details of designer risk assessments. We are conscious that there is a lack of natural surveillance for the attenuation pond as a result of play equipment, proposed and existing trees, bunds etc.

Kind regards,

Harry Mitchell CMLI
