Dear Madam,

**16 Maddocks Way, Waterloooville PO8 8QE**

**Conversion of garage to dining room and cycle/motorcycle store**

Thank you for reconsultation on the above planning application. Further to the Highway Authority's response dated 28th May, the applicant has submitted a parking survey for Maddocks Way.

The parking survey assesses the situation across a 7 day period between the hours of 19:00 and 21:00 only. The maximum parking stress observed on Maddocks Way and the surrounding residential streets during this time period was 31.25%.

As noted in the previous response, the Highway Authority raise no objection to the application in isolation. As the parking authority, Havant Borough Council need to consider whether the reduced parking provision is inline with parking standards. Consideration also needs to be given to the precedent set by accepting a reduction in parking within a built up residential area.

Yours sincerely,

Chris Hirst
