**The Town and Country Planning (Development Management Procedure) (England)
Order 2015
Grant of Planning Permission**

Application Number: APP/18/00530

Site Address: North Street Arcade, North Street, Havant PO9 1PX

Proposal: Construction of 21 No. one and two bed apartments in a 2 storey extension fronting onto Prince George Street, together with the provision of infill flexible use (Classes A1/A2/A3) commercial floorspace to North Street frontage, following the demolition of existing 1 and 2 storey retail development to rear.

Further to your application received on 23 May 2018, which was valid from 08 June 2018 Havant Borough Council, as Local Planning Authority **Grants Planning Permission** for the above proposal in accordance with the submitted plans and particulars as detailed below.

This permission is subject to compliance with:

- (i) The plans and other documents submitted with regard to your application; and
- (ii) The following conditions:

Conditions:

- 1 The development must be begun not later than three years beginning with the date of this permission.

Reason: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Flood Risk Assessment and Planning Statement for Drainage and services prepared by Hamill Davies Limited
Planning Statement
Design and Access Statement

Our Ref: APP/18/00530

Transport Statement prepared by PBA
LOCATION AND BLOCK PLAN - 16-2199-103 P3
PROPOSED ELEVATIONS - 16-2199-135 P5
PROPOSED FLOOR PLANS - 16-2199-134 P9
PROPOSED SECTIONS - 16-2199-136 P5
ADDITIONAL DRAINAGE INFORMATION - Proposed 18-3139-511-P2
ADDITIONAL DRAINAGE INFORMATION - Proposed 18-3139-551-P1
ADDITIONAL DRAINAGE INFORMATION - Imperable Areas 18-3139-901-P1

Reason: - To ensure provision of a satisfactory development.

- 3 No development hereby permitted shall commence until plans and particulars specifying the layout, depth and capacity of all foul and surface water drains and sewers proposed to serve the same, and details of any other proposed ancillary drainage works/plant (e.g. pumping stations) have been submitted to and approved in writing by the Local Planning Authority. Unless agreed otherwise in writing by the Local Planning Authority, the development hereby permitted shall not be brought into use prior to the completion of the implementation of all such drainage provision in full accordance with such plans and particulars as are thus approved by the Authority.

Reason: To safeguard the amenities of the locality and ensure that all such drainage provision is constructed to an appropriate standard and quality and having due regard to policies and proposals CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 4 No development hereby permitted shall commence until details of the measures which will be undertaken to protect the public sewer crossing the site have been submitted to and approved in writing by the Local Planning Authority. The development shall thereafter be carried out in accordance with the approved details.

Reason: To ensure the adequate protection of infrastructure having due regard to Havant Borough Local Plan (Core Strategy) policies CS19 and DM10 and the National Planning Policy Framework.

- 5 No above ground development hereby permitted shall commence until a specification of the materials to be used for the surfacing of all open parts of the site proposed to be hardsurfaced has been submitted to and approved in writing by the Local Planning Authority. The development hereby permitted shall not be occupied until the implementation of all such hardsurfacing has been completed in full accordance with that specification.

Reason: In the interests of the amenities of the locality and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 6 No above ground construction works hereby permitted shall be commenced until a more detailed soft landscaping scheme for all open parts of the site not proposed to be hardsurfaced has been submitted to and approved in writing by the Local Planning Authority. Such scheme shall specify the distribution and species of ground cover to be planted, the positions, species and planting sizes of the trees and shrubs to be planted and/or retained, and timing provisions for completion of the implementation of all such landscaping works. The implementation of all such approved landscaping shall be completed in full accordance with such approved timing provisions. Any tree or shrub planted or retained as part of such approved landscaping scheme which dies or is otherwise removed within the first 5 years shall be replaced with another of the same species and size in the same position during the first available planting season.

Reason: To ensure the appearance of the development is satisfactory and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 7 Notwithstanding any description of materials in the application no above ground construction works shall take place until samples and / or a full specification of the materials to be used externally on the building(s) have been submitted to and approved in writing by the Local Planning Authority. Such details shall include the type, colour and texture of the materials. Only the materials so approved shall be used, in accordance with any terms of such approval.

Reason: To ensure the appearance of the development is satisfactory and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 8 The car and cycle parking, servicing and other vehicular access arrangements shown on the approved plans to serve the development hereby permitted shall be made fully available for use prior to the development being first brought into use and shall be retained thereafter for their intended purpose.

Reason: In the interests of highway safety and having due regard to policy DM13 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 9 No development hereby permitted nor any related site clearance shall commence until a plan and particulars specifying the provision to be made within the site and/or on other land nearby for the parking (throughout the clearance and construction period) of construction vehicles and of other vehicles delivering/removing materials and other items to/from the development site have been submitted to and approved in writing by the Local Planning Authority. Thereafter, throughout such site clearance and implementation of the development hereby permitted, all such temporary parking provision shall be provided and used only as such.

Reason: To safeguard the amenities of the locality and/or in the interests of traffic safety and having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011.

- 10 The housing (C3 use) element of the development hereby permitted shall not be occupied until:
- a) A water efficiency calculation in accordance with the Government's National Calculation Methodology for assessing water efficiency in new dwellings has been undertaken which demonstrates that no more than 110 litres of water per person per day shall be consumed within the development, and this calculation has been submitted to, and approved in writing by, the Local Planning Authority;
 - b) A mitigation package addressing the additional nutrient input arising from the development has been submitted to, and approved in writing by, the Local Planning Authority. Such mitigation package shall address all of the additional nutrient load imposed on protected European Sites by the development when fully occupied and shall allow the Local Planning Authority to ascertain on the basis of the best available scientific evidence that such additional nutrient loading will not have an adverse effect on the integrity of the protected European Sites, having regard to the conservation objectives for those sites; and
 - c) All measures forming part of that mitigation package have been provided to the Local Planning Authority.

Reason: There is existing evidence of high levels of nitrogen and phosphorus in the water environment with evidence of eutrophication at some European designated

nature conservation sites in the Solent catchment. The PUSH Integrated Water Management Strategy has identified that there is uncertainty as to whether new housing development can be accommodated without having a detrimental impact on the designated sites within the Solent. Further detail regarding this can be found in the appropriate assessment that was carried out regarding this planning application. To ensure that the proposal may proceed as sustainable development, there is a duty upon the local planning authority to ensure that sufficient mitigation for is provided against any impacts which might arise upon the designated sites. In coming to this decision, the Council have had regard to Regulation 63 of the Conservation of Habitats and Species Regulations 2017, Policy CS11 of the Havant Borough Local Plan (Core Strategy) 2011 and Policy E14 of the Pre-Submission Havant Borough Local Plan 2036.

- 11 The development hereby permitted shall not be occupied until plans and particulars specifying the provision to be made for external lighting of the same has been submitted to and approved in writing by the Local Planning Authority. There shall be no external lighting on the site other than as thereby approved.

Reason: To safeguard the amenities of the locality and having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

Other Important Information:

- (1) This notice only relates to the decision of Havant Borough Council as Local Planning Authority under the Town and Country Planning Acts. It does not relate to any other application that may be required under the Building Regulations or under any other Act, Regulation, Byelaw or Order where the Council's approval may be needed. For further guidance as to the need for consent under the Building Regulations please phone 023 9244 6571.
- (2) Your attention is drawn to the attached information regarding firstly your right to appeal to the Planning Inspectorate, if you are aggrieved by the Council's decision, and secondly the rights of an owner to, in certain circumstances serve a purchase notice on the Council. See www.planningportal.gov.uk/pcs.
- (3) Any failure to adhere to the details of the approved plans, and other documents or to comply with any conditions listed above may lead to enforcement action being taken by the Council. If you wish to depart from the approved details or conditions in any way you should contact the Planning and Development service at the Plaza or by telephoning 023 9244 6015.
- (4) In accordance with paragraphs 38-50 of the NPPF Havant Borough Council (HBC) takes a positive and proactive approach and works with applicants/agents on development proposals in a manner focused on solutions by:
 - Offering a pre-application advice service, and
 - Updating you of any issues that may arise in the processing of your application and where possible suggesting solutions, and,

In this instance:

- You sought and were provided with pre-application advice, and you were

- (5) This permission was granted subject to a planning obligation agreement made under Section 106 of the Town & Country Planning Act 1990 dated 19th November 2019 which requires a Solent Recreation Mitigation Strategy Contribution; Viability Review mechanism; SUDS Management and Maintenance, and a SUDS Bond.
- (6) The applicant is advised that a formal application for connection to the public sewerage system is required in order to service this development. The applicant/developer should enter into a formal agreement with Southern Water to provide the necessary sewerage infrastructure required to service this development. The applicant/developer should contact Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk
- (7) The applicant is advised that the highway works required in relation to the implementation of the layby required a S278 Agreement with Hampshire County Council as the Highway Authority.
- (8) The developer is advised that the Environment Agency has commented on the application:
The developer should be aware that any construction within 8 metres of the Lavant Stream culvert "main river" will require a Flood Risk Activity Permit.

Please contact the Environment Agency direct for further advice on this matter.
