**The Town and Country Planning (Development Management Procedure) (England)
Order 2015**
Grant of Planning Permission

Application Number: APP/19/00703

Site Address: Langstone Technology Park, 2B Langstone Road, Havant, PO9 1SA

Proposal: Part-demolition of Building 1000 and associated works; the erection of new flexible use industrial units; and a new parking layout with associated works to layout and access and felling of two trees subject to a Tree Preservation Order (Norway Maples).

Further to your application received on 11 July 2019, which was valid from 02 August 2019 Havant Borough Council, as Local Planning Authority **Grants Planning Permission** for the above proposal in accordance with the submitted plans and particulars as detailed below.

This permission is subject to compliance with:

- (i) The plans and other documents submitted with regard to your application; and
- (ii) The following conditions:

Conditions:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.
- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Industrial Park Signboard Drawing No. SK (Signage likely to require Advertisement Consent)

Artistic Impression Drawing No. 301

Marketing Strategy Report Area 1, 2 and 3 Building 1000 Ref.ANH/cec

Reason: - To ensure provision of a satisfactory development.

- 3 No development shall take place until plans and particulars setting out a phased programme for implementation of the development have been submitted to and approved in writing by the Local Planning Authority. The development shall thereafter be carried out in accordance with the approved phasing programme unless an alternative is first agreed in writing with the Local Planning Authority.

Reason: To ensure adequate parking is provided on site in advance of the first use of the proposed new flexible use industrial units and that adequate foul drainage capacity is available having due regard to policies CS15 and DM14 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 4 No development shall take place on a phase of the development until details of existing and finished floor and site levels relative to previously agreed off-site datum point(s) for that phase have been submitted to and approved in writing by the Local Planning Authority. The development shall be undertaken in accordance with the approved details.

Reason: To ensure that the development has an acceptable impact on the character and appearance of the area having due regard to policies CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 5 No development shall take place on a phase of the development until all trees that are to be retained within or adjacent to the part of the site subject to that phase have been enclosed with temporary protective fencing in accordance with BS:5837:2012 'Trees in relation to design, demolition and construction. Recommendations'. The fencing shall be retained throughout the period of works relative to that phase and no activity prohibited by BS:5837:2012 shall take place within such protective fencing during the construction period.

Reason: To safeguard the continued health and presence of such existing vegetation and protect the amenities of the locality and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 6 No development shall take place on a phase of the development until plans and particulars specifying the following matters relative to that phase have been submitted to and approved in writing by the Local Planning Authority (in consultation with Hampshire County Council Highways Authority):

- (i) A Construction Traffic Management Plan. This shall include construction traffic routes and their management and control, parking and turning provision to be made on site, measures to prevent mud

being deposited on the highway, adequate provision for addressing any abnormal wear and tear to the highway, and a programme for construction.

- (ii) The provision to be made within the site for contractors' vehicle parking during site clearance and construction of the development;
- (iii) The provision to be made within the site for a material storage compound during site clearance and construction of the development.

Thereafter, throughout such site clearance and implementation of the relevant phase of development, the approved construction traffic management plan shall be complied with and the approved parking provision and storage compound shall be kept available and used only as such.

Reason: To safeguard the amenities of the locality and in the interests of highway safety and having due regard to policies CS16, CS20, DM10 and DM12 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 7 With the exception of demolition works, no development hereby permitted shall commence on a phase of the development until plans and particulars specifying the layout, depth and capacity of all foul and surface water drains and sewers proposed to serve the same, and details of any other proposed ancillary drainage works/plant (e.g. pumping stations) for that phase have been submitted to and approved in writing by the Local Planning Authority. The surface water drainage scheme for each phase shall specify the measures for ensuring that potential pollutants from the site do not impact the wider water environment. Unless agreed otherwise in writing by the Local Planning Authority, the relevant phase of the development hereby permitted shall not be brought into use prior to the completion of the implementation of all such drainage provision for that phase in full accordance with such plans and particulars as are thus approved by the Authority.

Reason: To safeguard the amenities of the locality and ensure that all such drainage provision is constructed to an appropriate standard and quality to reduce flood risk and protect the wider water environment having due regard to policies CS15, CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 8 The development hereby permitted shall be carried out in accordance with the Biodiversity Enhancement Plan (The Ecology Co-op, October 2019). In addition, prior to the commencement of developing the new industrial units full details of the translocation of the species-rich grassland containing orchid species and the long term management and maintenance of the translocation area shall be submitted to and approved in writing by the Local Planning. The translocation shall take place in accordance with timing provisions as may be approved as part of the details. The translocation process itself and subsequent management and maintenance of the translocation site shall thereafter take place in accordance with the approved management and maintenance details. The details of the translocation area and its management and maintenance shall also be shown on the detailed landscaping plan required in accordance with condition No.13.

Reason: In the interests of biodiversity and the protection of habitat having due regard to policies CS11 and DM8 of the Havant Borough Local Plan (Core Strategy) 2011 the Wildlife and Countryside Act 1981 (as amended) and the National Planning Policy Framework.

- 9 Prior to the commencement of any specific phase of development approved by this planning permission (other than demolition, site clearance, or any other date or stage in development as may be agreed in writing with the Local Planning Authority), an

assessment of the nature and extent of contamination at the relevant part of the site, whether originating from within or outside the curtilage, shall be submitted to and approved in writing by the Local Planning Authority.

The assessment may comprise separate reports as appropriate, but shall be undertaken by competent persons and unless specifically excluded in writing by the Local Planning Authority, shall include;

- 1) An intrusive site investigation based on the proposals outlined within the Preliminary Geo-Environmental Risk Assessment Re'-19-0687.01 (section 6.0); to provide sufficient data and information to adequately identify & characterise any physical contamination on or affecting the site, and to inform an appropriate assessment of the risks to all identified receptors.
- 2) The results of an appropriate risk assessment based upon (1), and where unacceptable risks are identified, a Remediation Strategy that includes;
 - appropriately considered remedial objectives,
 - an appraisal of remedial &/or risk mitigation options, having due regard to sustainability, and;
 - clearly defined proposals for mitigation of the identified risks, and;
- 3) A verification plan providing details of the data that will be collected in order to demonstrate that the works set out any Remediation Strategy required under (2) are complete, identifying any requirements for longer-term monitoring of pollutant linkages, maintenance of engineered mitigation measures, and arrangements for contingency action.

All elements shall be adhered to unless agreed in writing by the Local Planning Authority.

Reason: Having due regard to policies CS11 and DM10 of the Havant Borough Adopted Core Strategy (2011) and DM17 of the Havant Borough Local Plan (Allocations) (2014) and the National Planning Framework, Contamination may be present at the site as a result of previous land uses (& / or activities) on site and in the vicinity, that could pose a risk groundwater & local surface waters (ecology), to the proposed buildings, and future occupiers of the site.

- 10 Prior to the commencement on a phase of the development (excluding demolition and temporary works), a Draft Design Stage Assessment demonstrating that the relevant part of the development will achieve at minimum 'Very Good' against the BREEAM Standard, shall be submitted to and agreed in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.

Reason: To ensure the development contributes to sustainable construction in accordance with policy CS4 of the Havant Borough Local Plan (Core Strategy) 2011.

- 11 Prior to the commencement of the new industrial units full details of the Electrical Vehicle (EV) Charging points, shall be submitted to and approved in writing by the Local Planning Authority. The details shall demonstrate that EV charging points are provided for the new car parking areas and that the development will accommodate 24 EV charging points. The details shall include the location of the EV charging points and a full specification of the materials to be used externally on the Charging points. Only the materials so approved shall be used, in accordance with any terms of such approval.

Reason: To ensure that the development provides appropriate facilities for Electric Vehicles in the interests of the environment, air quality and that the appearance of the

development is satisfactory having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and Policy IN3 of the Pre-Submission Havant Borough Local Plan 2036 and the National Planning Policy Framework

- 12 Prior to the commencement of any phase of the development measures relative to that phase for the protection of public sewers within 5 metres of any work being carried out shall be submitted to and approved in writing by the Local Planning Authority in consultation with Southern Water. The development shall thereafter be carried out in accordance with the approved measures.

Reason: To ensure the protection of drainage apparatus having due regard to policies CS15 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 13 With the exception of demolition and temporary works, no development hereby permitted shall be commenced on any phase until a more detailed soft landscaping scheme for all open parts of the relevant phase not proposed to be hardsurfaced has been submitted to and approved in writing by the Local Planning Authority. Such scheme shall specify the proposed finished ground levels in relation to the existing levels, the distribution and species of ground cover to be planted, the positions, species and planting sizes of the trees and shrubs to be planted and/or retained, bulbs and any areas of turfing and seeding and timing provisions for completion of the implementation of all such landscaping works.

The details shall also specify the transplantation area of the species-rich grassland containing orchid species and the long term management and maintenance proposed.

The implementation of all such approved landscaping shall be completed in full accordance with such approved timing provisions. Any tree or shrub planted or retained as part of such approved landscaping scheme which dies or is otherwise removed within the first 5 years shall be replaced with another of the same species and size in the same position during the first available planting season.

Reason: To ensure the appearance of the development is satisfactory and having due regard to policies CS11, CS16 and DM8 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 14 With the exception of demolition and temporary works, no development hereby permitted shall commence on any phase until a specification of the materials to be used for the surfacing of all open parts of the site within that phase proposed to be hardsurfaced has been submitted to and approved in writing by the Local Planning Authority. The submitted details shall include:

fully annotated plans at sufficient scale that comprise the proposed range of coloured and textured surfacing treatments, which identify:

- hard surfacing material type / product reference and colour
- laying bond
- edging or kerb detail / type
- Further details on building material specification for the development requiring submission including material type, product reference and colour

The development hereby permitted shall not be brought into use until the implementation of all such hardsurfacing has been completed in full accordance with that specification.

Reason: In the interests of the amenities of the locality and having due regard to policies CS16, and DM8 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 15 Notwithstanding any description of materials in the application, with the exception of demolition and temporary works, no development shall take place until samples or a full specification of the materials to be used externally on the building(s) within that phase have been submitted to and approved in writing by the Local Planning Authority. Such details shall include the type, colour and texture of the materials. Only the materials so approved shall be used, in accordance with any terms of such approval.

Reason: In the interests of the amenities of the locality and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 16 Prior to the occupation of any relevant phase of the permitted development, any verification report for that phase required in accordance with condition 9 shall be submitted to and approved in writing by the Local Planning Authority.

The report shall include results of sampling and monitoring carried out in accordance with the approved verification plan, and must demonstrate that site remediation criteria have been met. Where longer-term monitoring of pollutant linkages is identified as being necessary, the report shall clearly set out plans for monitoring, provision for maintenance, relevant triggers and contingency actions (a "long-term monitoring and maintenance plan").

The long-term monitoring and maintenance plan shall be implemented as approved.

Reason: Having due regard to policies CS11 and DM10 of the Havant Borough Adopted Core Strategy (2011) and DM17 of the Havant Borough Local Plan (Allocations) (2014), Contamination may be present at the site as a result of previous land uses (&/or activities) on site and in the vicinity, that could pose a risk groundwater & local surface waters (ecology), to the proposed buildings, and future occupiers of the site.

- 17 The new industrial units shall not be occupied and the new parking spaces in front of Bay 3 of Building 1000 shall not be used until:

- Details of the design of the proposed barriers; and
- A Management Plan for the proposed traffic barriers within the site;

have been submitted to and approved in writing by the Local Planning Authority. The approved details shall be implemented before any of the new industrial units are occupied, or the new parking spaces in front of Bay 3 of Building 1000 are used, whichever is the earlier, and retained in perpetuity.

The traffic barriers shall prevent the new industrial units and parking accessed to the west of the barriers being utilised by vehicles from Langstone Road between 07.30am and 09.00am.

Reason: In the interests of highway safety and operation and having due regard to policies CS20 and DM12 and the National Planning Policy Framework.

- 18 The new industrial units shall not be brought into use unless and until signage to direct HGV movements as depicted on DTA drawing 20428-05 HGV Routing restrictions has been erected in accordance with the details shown. The signage shall thereafter be retained and maintained unless otherwise agreed in writing by the Local Planning Authority.
Reason: To ensure that HGV movements are directed to limit access from Langstone Road in the interests of traffic flow and highway safety having due regard to policies CS20 and DM12 of the Havant Borough Local Plan (Core Strategy) and the National Planning Policy Framework.
- 19 Each phase of the development hereby permitted shall not be brought into use unless and until details of cycle storage, in the quantum and position illustrated on drawings 4046C-0110_F and 4046A-200_F, with the exception of those shown for unit 12 are submitted to and approved in writing by the Local Planning Authority.
- In relation to unit 12, details of 12 long stay and 5 short stay cycle parking spaces shall be submitted to and approved in writing by the Local Planning Authority. The approved cycle parking provision shall thereafter be provided prior to the relevant phase of the development being brought into use and thereafter maintained in accordance with the approved details.
Reason: To ensure the provision of sustainable transport options and having due regard to policy DM14 of the Havant Borough Local Plan (Core Strategy) 2011 Havant Borough Parking Standards SPD 2016 (as amended) and the National Planning Policy Framework.
- 20 The Norway Maple trees shown to be felled on the Tree Protection Plan as T41 and T42 and listed in the Arboricultural Method Statement Ref. 1087.bjh Sept 19 shall not be removed until full details and specifications of replacement tree planting for the Norway Maple trees to be felled has been submitted to and approved in writing by the Local Planning Authority. The approved replacement planting shall be carried out in the first planting season following approval of the details. Any trees or shrubs planted or retained in accordance with this condition which are removed, uprooted, destroyed, die or become severely damaged or become seriously diseased within 5 years of planting shall be replaced within the next planting season by trees or shrubs of similar size and species to those originally required to be planted.
Reason: To conserve and safeguard the visual amenities of the locality and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 21 Within 6 months of any phase of the development first becoming occupied, written documentary evidence proving that the relevant phase has achieved at minimum Very Good against the BREEAM Standard in the form of post construction assessment and certificate as issued by a legitimate BREEAM certification body shall be submitted to the Local Planning Authority for its approval.
Reason: To ensure the development contributes to sustainable construction in accordance with policy CS4 of the Havant Borough Local Plan (Core Strategy) 2011.
- 22 The car parking, servicing and other vehicular access arrangements shown on the approved plans to serve the development hereby permitted shall be made fully available for use prior to the new industrial units being first brought into use and shall be retained thereafter for their intended purpose, unless alternative arrangements are approved by the local planning authority in the context of a phasing plan pursuant to condition 3.
Reason: In the interests of highway safety and having due regard to policy DM14 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 23 The external sound level emitted from plant, machinery or equipment at the development shall be equal or lower than the representative background sound level, with noise levels assessed (if necessary) in accordance with BS4142:2014 at the nearest and/or most affected noise sensitive premises.
Reason: To protect the amenity of the nearest residential receptors having due regard to policy DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 24 No externally visible or audible plant, machinery or structures required for ventilation or filtration purposes shall be installed at the premises until and unless details of the external appearance and acoustic and odour prevention performance of the same have been submitted to and approved in writing by the Local Planning Authority.
Reason: To safeguard the amenities of the locality and occupiers of nearby property and having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 25 Notwithstanding the provisions of the Town and Country Planning (Use Classes) Order 1987, (as amended) and any Town and Country Planning (General Permitted Development) Order, the new industrial buildings hereby permitted shall only be used as flexible B1(c), B2 and B8 uses; and for no other purposes within the Use Classes Order 1987 (as amended).
Reason: To accord with the terms of the application in the interests of amenity and having due regard to Policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 26 Notwithstanding the provisions of the General Permitted Development Order (As Amended) no additional first floor mezzanine floorspace shall be created within the development hereby permitted.
Reason: To ensure that adequate car and cycle parking provision is provided on site having due regard to policy DM14 of the Havant Borough Local Plan (Core Strategy) 2011, Havant Borough Council Parking SPD 2016 (partly updated 2019) and the National Planning Policy Framework

Other Important Information:

- (1) This notice only relates to the decision of Havant Borough Council as Local Planning Authority under the Town and Country Planning Acts. It does not relate to any other application that may be required under the Building Regulations or under any other Act, Regulation, Byelaw or Order where the Council's approval may be needed. For further guidance as to the need for consent under the Building Regulations please phone 023 9244 6571.
- (2) Your attention is drawn to the attached information regarding firstly your right to appeal to the Planning Inspectorate, if you are aggrieved by the Council's decision, and secondly the rights of an owner to, in certain circumstances serve a purchase notice on the Council. See www.planningportal.gov.uk/pcs.
- (3) Any failure to adhere to the details of the approved plans, and other documents or to comply with any conditions listed above may lead to enforcement action being taken by the Council. If you wish to depart from the approved details or conditions in any

way you should contact the Planning and Development service at the Plaza or by telephoning 023 9244 6015.

- (4) In accordance with paragraphs 38-50 of the NPPF Havant Borough Council (HBC) takes a positive and proactive approach and works with applicants/agents on development proposals in a manner focused on solutions by:
- Offering a pre-application advice service, and
 - Updating you of any issues that may arise in the processing of your application and where possible suggesting solutions, and,

In this instance:

- You sought and were provided with pre-application advice,
 - You were updated about issues after the initial site visit.
- (5) This permission was granted subject to a planning obligation agreement made under Section 106 of the Town & Country Planning Act 1990 dated 22 July 2020 which requires the following:
- Travel Plan requirements
 - Access Road and Signage Works
 - Right Turn and Roundabout Signage Works Contribution
 - Bus Infrastructure Contribution
 - Northern Footpath Connection Works
 - Footpath 51 Contribution and requirements
- (6) The applicant is advised that the Environment Agency have provided the following comments:

Planning permission does not remove the requirement for an Environmental Permit. The Environmental Permitting (England and Wales) Regulations 2016 require a permit to be obtained for any activities which will take place:

- *on or within 8 metres of a main river (16 metres if tidal)*
- *on or within 8 metres of a flood defence structure or culvert (16 metres if tidal)*
- *on or within 16 metres of a sea defence*
- *involving quarrying or excavation within 16 metres of any main river, flood defence (including a remote defence) or culvert*
- *in a floodplain more than 8 metres from the river bank, culvert or flood defence structure (16 metres if it's a tidal main river) and you don't already have planning permission.*

For further guidance please visit <https://www.gov.uk/guidance/flood-risk-activities-environmental-permits> or contact our National Customer Contact Centre on 03702 422549. The applicant should not assume that a permit will automatically be forthcoming once planning permission has been granted, and we advise them to consult with us at the earliest opportunity.

- (7) You are hereby requested to ensure that no works or ancillary operations associated with any demolition, excavation, clearance and construction works at the development, which are audible at the site boundary, shall take place on any Sunday or Bank / Public Holiday, nor on any other day except between the following times: Monday to Friday: 08.00 - 18.00 and Saturday: 08:00 - 13.00. This is in order to protect the occupants of nearby residential properties from noise and vibration nuisance

- (8) You are hereby requested to ensure that the Environmental Health Pollution team, at Havant Borough Council are advised in writing as to what measures are to be put in place for the control of any dust that might emanate from the development site. This is in order to protect the occupants of nearby residential properties from dust pollution.
- (9) You are hereby requested to ensure that any external lighting that may be installed on this site, within the grounds or attached to the building, is so positioned so as not to cause nuisance to neighbouring properties. This is in order to protect the occupants of nearby residential dwellings from light pollution.
- (10) The applicant is advised of the comments received from Hampshire Fire and Rescue which can be viewed on the Councils Website at the following address:
- https://planningpublicaccess.havant.gov.uk/online-applications/applicationDetails.do?activeTab=documents&keyVal=DCAPR_246448
- (11) The applicant is advised that Hampshire County Council as the Local Lead Flood Authority have provided the following advice:
- We would also recommend that the applicant is directed to our website <http://www3.hants.gov.uk/flooding/hampshireflooding/drainagesystems.htm> for further information on recommended surface water drainage techniques.*
- (12) The applicant is advised of the comments of Southern Water in relation to the proposed development. The consultation responses can be viewed on the Councils website at the following address:
- https://planningpublicaccess.havant.gov.uk/online-applications/applicationDetails.do?activeTab=documents&keyVal=DCAPR_246448
- (13) The applicant is advised that Hampshire County Council Countryside Access Team have advised that:
- i. Nothing connected with the development or its future use should have an adverse effect on the right of way, which must remain available for public use at all times.*
- ii. There must be no surface alterations to a public right of way without the consent of Hampshire County Council as Highway Authority. To carry out any such works without this permission would constitute an offence under s131 Highways Act 1980.*
- (14) In relation to the above conditions 'Temporary Works' are defined as "Works that are required between the demolition contractor completing their works and the main contractor commencing their works, including temporary weather protection and support."

TOWN AND COUNTRY PLANNING ACT 1990

NOTIFICATION TO BE SENT TO AN APPLICANT WHEN A LOCAL PLANNING AUTHORITY REFUSE PLANNING PERMISSION OR GRANT IT SUBJECT TO CONDITIONS

- These notes are for information only and do not purport to set out the law on the subject.
- Only the applicant possesses the right of appeal.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice and you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier.
- If this is a decision to refuse planning permission for a householder application and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse planning permission for a minor commercial application and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse express consent for the display of an advertisement and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.
- If this is a decision to refuse consent to work on a tree which is subject to a Tree Preservation Order and you want to appeal against your local planning authority's decision then you must do so within 28 days of the date of this notice.
- If this is a decision to refuse any other type of application and you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- **Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.**
If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry, then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)

Our Ref: APP/19/00703

IMPORTANT NOTICE FOR APPLICANTS WITH REGARD TO BUILDING REGULATIONS

This notice only relates to the decision of Havant Borough Council under the Town and Country Planning Acts. It does not relate to any other application that may be required any other Act, Regulation, Byelaw or Order where the Council's approval may be needed.

For further guidance as the need for consent under the Building Regulations, please telephone Havant Borough Council's Building Control team on:

023 9244 6571
