

GENERIC TREE PROTECTION STATEMENT FOR APPLICATION

APP/19/01046 16 Park Crescent, Emsworth, PO10 7NT

Trees are on neighbouring land at 18 Park Crescent

With regards to the proposed extension to the north side of 16 Park Crescent and the root protection of the neighbouring trees, shown on the attached plan, it is proposed that ground protection will be implemented in accordance with BS 5837:2005 to reduce the risk of damage to the root area during the course of the works and will be installed prior to commencement.

A site-specific method statement and tree protection plan to be prepared by an arboriculturist and issued as part of an application to discharge any condition attached to the decision notice.

This statement is to be read in conjunction with drawing P03B
