

Steve

I have attached the E of T letter

In the interim to try address some of the issues

- I can confirm that the units will be B1 not A1 as such the transport statement does not need to be changed
- The client has accepted the £3000 fee for the highway contribution to HCC
- I have attached letters from the three remaining occupants in terms of moving from the site to alternative premises.

In terms of the other issues

- Our drainage engineer is assessing the comments
- A landscape plan is being prepared for the car park

Regards
