3 Proposal

Application for non-material amendment to Planning Permission APP/20/00176 relating to conditions 6 & 7, landscaping which state:

6

The landscaping works shown on the approved Landscape Strategy Plan DD275L01G shall be carried out in accordance with the approved details and in accordance with any timing / phasing arrangements approved or within the first planting season following final occupation of the development hereby permitted, whichever is the sooner. Any trees or shrubs planted or retained in accordance with this condition which are removed, uprooted, destroyed, die or become severely damaged or become seriously diseased within 5 years of planting shall be replaced within the next planting season by trees or shrubs of similar size and species to those originally required to be planted.

Reason: To ensure the appearance of the development is satisfactory and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework

7

The materials to be used in the construction of all means of enclosure including boundaries, screens or retaining walls, shall comprise Pricketts Autumn Blend bricks and Close boarded 1.8m high fencing in accordance with the approved Landscape Strategy Plan DD275L01G. The development hereby permitted shall be completed in accordance with the approved specification.

Reason: To safeguard the amenities of the locality and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

In both cases the approved Landscape Strategy Plan is DD275L01J.

5 Planning Considerations

5.1 As detailed in paragraph 3.1 above, this application has been submitted under Section 96A of the Town and Country Planning Act which allows a local planning authority to make a change to any planning permission if they are satisfied that the change is not

material. The Government has advised that the requirements for design and access statements, publicity and consultation, and to take reasonable steps to identify unknown owners, would have applied to the original application if relevant. Therefore, those requirements do not apply to this type of application. The Government have advised that Local Planning Authorities must have regard to the effect of the change when determining where the proposal is a 'non-material' amendment.

5.2 Having regard to the relevant policies of the development plan it is considered that the main issues arising from this application are:

- (i) Principle of development
- (ii) Appropriateness of design and impact on the character of the area
- (iii) Effect on neighbouring properties

(i) Principle of development

5.3 The application site is located within the defined urban area, therefore development is considered acceptable in principle subject to development control criteria.

(ii) Appropriateness of design and impact on the character of the area

5.4 The proposed changes are to correct errors on the decision notice and there is no change to the impact on the area.

(iii) Effect on neighbouring properties

5.5 The proposed changes are to correct errors on the decision notice and there is no change to the impact on neighbours.

6 Conclusion

6.1 The proposed changes are not considered to result in a material change to the extant planning permission and approval is recommended.
