7 Planning Considerations

7.1 Having regard to the relevant policies of the development plan it is considered that the main issues arising from this application are:

- Whether the degree of pruning works requested would undermine the amenity value of these trees and whether this could also be harmful to their ongoing health and vitality.

7.2 My inspection related specifically to assessing the proposed works rather than generally inspecting the tree's health and condition in any great detail. I visually inspected the tree from ground level and the following report deals with the relevant issues that have been raised on site, in the application form and from my site observations.

- 7.3 This application to undertake works to trees protected by a Tree Preservation Order relates to the proposed pruning of a Beech and two Sycamores.

The Beech is located adjacent to the private driveway and grows out from the woodland. It is a small poorly formed specimen however appeared to have good vigour and vitality. The intention is to reduce back to the previous pruning points to reduce encroachment over the driveway.

The two Sycamores are located in the rear garden of the property and have been pollarded. They have no public amenity value. The intention is to repollard to remove the re-growth.

No objections to the application have been received.

8 **Conclusion**

The work proposed is considered to be appropriate and proportionate and therefore permission should be granted.

9 **RECOMMENDATION:**

That the Head of Neighbourhood Support be authorised to **GRANT TPO CONSENT** for application APP/20/00606 subject to the following conditions

- 1 The tree works for which consent is hereby granted shall not be carried out otherwise than in full accordance with all relevant content of BS 3998 (2010).

Reason: In the interests of tree health and safety.

- 2 The tree works for which consent is hereby granted shall be carried out and completed no later than one year from the date of this permission.

Reason: To control the timing of the works.
