**Town and Country Planning (Development Management Procedure) (England) Order
2010
Discharge of Conditions Application**

Application Number: APP/14/01054

Site Address: Former Development site, Merlin Close, Wecock, Waterlooville

Proposal: Request for written confirmation that all conditions of the Section 106 Agreement of 00/60387/000 (dated 28.03.2002) have been complied with.

This decision relates to your application received on 09 October 2014 which was valid from 03/11/2014, and in particular the plans and other documents submitted with your application.

I write to advise you that the development which included number 5 Merlin Close is subject to the conditions attached to Planning Permission 00/60387/000 and the obligations set out under the S106 Legal Agreement dated 28 March 2002.

There are 30 conditions attached to 00/60387/000, some of which are on-going requirements/restrictions. I can confirm that the significant pre-development conditions appear to have been complied with and there are no works remaining and no outstanding enforcement issues.

With respect to the S106 Legal Agreement, following my research of the records I can confirm that there were no associated financial contributions.
