Dear Tina,

Electricity Sub Station, Swiss Road, Waterloooville

Application to determine whether prior approval is required for the installation of a 15m high column mast with 0.6m dish on top; total height 15.35m above ground level

I refer to your recent consultation in respect of the above application.

The proposal will not generate significant traffic movements and is unlikely to be a distraction to drivers. i therefore confirm the Highway Authority have no objection to this proposal.

Yours sincerely,

Ray Alborough
