Subject: 7 Windrush Close Havant

Dear Maria,

Apologies for the delay in getting back to you with this.

Please see attached plan with the tree numbers marked, I'm afraid it's a bit rough as it was done on my phone.

I can confirm that I wish to remove T11 and T12 from my original application as they are privately owned by no.5 Windrush Close.

I can confirm that the trees marked on the plan are on land managed by Remus and not in residential gardens.

Please let me know if you need any further information.

Many thanks again.

Kind regards

Chris Spratt
