Hi Joe

Arboricultural Officer comments: A Field Maple subject to TPO stands adjacent to the eastern boundary of the garden. There is also a mature offsite Ash which stands within 15m of the proposed development however this hasn't been included within the tree report and I believe it should be taken into consideration also. Please could this be added to the report and tree protection plan before I fully comment on the proposal.

Kind regards,

Maria Stewart - Arboricultural Officer
