

Consultee Comments for Planning Application APP/20/00285

Application Summary

Application Number: APP/20/00285

Address: Recreation Ground, Hobby Close, Wecock, Waterloooville

Proposal: Land raising of the recreation ground at Hobby Close Field using inert clean soil material to solve inherent drainage problems in ground and provision of sports field. Temporary construction routes from Eagle Avenue to the east and north of the site. These works would also allow for new play area and skate park to replace the existing ones on site (the play area and skate park works do not require planning permission).

Comments

The submitted arboricultural method statement and tree protection plan is comprehensive in terms of the temporary and permanent accesses into the site and I have no objection to this element.

However, there is no information within the Arboricultural report and tree protection plan regarding how the land raising and proposed new drainage for the sports field may impact on the woodland surrounding it. Please could this be provided.
