

Dear David,

**Re: APP/20/00289 - Variation of Conditions 2 and 3 of Planning Permission
APP/18/01262 relating to planting - Southmere Farm, The Mallards, Havant**

Thank you for consulting us on the above application and apologies for the delayed response. Natural England has no comments to make on the variation of conditions 2 and 3. Our responses dated 25th July 2018 (consultation number 252091) and 9th May 2018 (consultation number 244753) still stand.

Should the proposal be amended in a way which significantly affects its impact on the natural environment then, in accordance with Section 4 of the Natural Environment and Rural Communities Act 2006, Natural England should be consulted again. Before sending us any further consultations regarding this development, please assess whether the changes proposed will materially affect any of the advice we have previously offered. If they are unlikely to do so, please do not re-consult us.

Kind regards
