36-38 West Street, Havant, PO9 1PG

Display of 2No static internally illuminated fascia signs and 1No static illuminated projecting sign. |

The site is located in West Street in Havant Town Centre and just outside the St Faiths Conservation Area. It comprises 2no. ground floor retail units in use as an opticians (Specsavers).

Section 72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 requires planning authorities, when considering whether to grant planning permission for development which affects a Conservation Area, to have special regard to the desirability of preserving or enhancing the character and appearance of that area.

The proposed signage is similar to the existing and such, would not adversely affect the adjacent conservation area by means of visual amenity.

Conclusion - No objection
