Dear Madam,

Unit 3, Station Approach, North Street, Emsworth, PO10 7PW

Single storey extension as a continuation from the existing warehouse with the addition of a single storey link building between the two, new parking platform near the entrance to building.(Revised).

Thank you for reconsultation on the above planning application.

Further to the Highway Authority's previous response, the applicant has submitted drawing number D25 which provides tracking for a rigid truck and box van within the confines of the site. The drawing indicates that there will be sufficient space to undertake the manoeuvres for both of these vehicles.

Following the provision of the tracking, the Highway Authority's remaining concern with the application has now been addressed. Therefore, no objection is raised to the application.

Yours sincerely,

Chris Hirst
