Hi

Thank you for your email and as requested, I agree to an extension of time until 14 May 2020.

While I am emailing you, this application is very simple, in that the property is on the corner of a road junction and you would not have to get out of your car to view the works.

Regards

Ian Marshall

Hi Ian Marshall,

I hope you are well.

Following on from our previous conversations, due to the current situation we are unfortunately unable to conduct any site visits for the next three weeks until government restrictions have been lifted. This means for any applications in which we have not done a site visit for cannot be signed off until done so.

We apologise for the inconvenience this will cause regarding the process of your application.

It would be much appreciated if you can agree to the attached Extension of time letter until 14/05/2020 to allow for a site visit to be conducted and to determine the planning application.

I will keep you updated on how things develop.

Thank you very much for your patience in these difficult times.

All the best,

Joseph Toole
