club MONKEY PUZZLE

Welcome to our World...

Discover a whole new experience, with something for everyone. Escape to your very own country retreat as a member of our exclusive lifestyle Country Club.

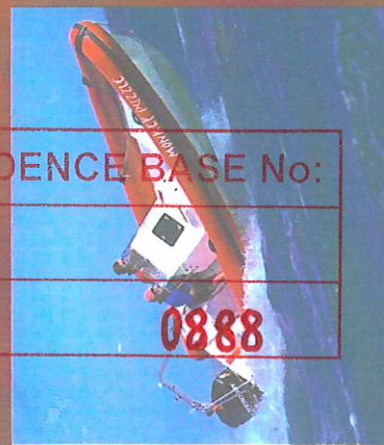

Club Monkey Puzzle is for people who love living life, for those who are as content reading the paper in front of a roaring fire on a winters evening, as they are packing in as much adrenaline inducing activity as a day will hold.

*You only have one life... live it well...
relax, escape and play*

EVIDENCE BASE No:

0888

Welcome to Club Monkey Puzzle, a wholly unique and very exclusive country club facility situated in its own 50 acre private wooded estate in the Chichester Harbour Area of Outstanding Natural Beauty. Our club is designed specifically for corporate incentive, reward and entertaining as well as private individuals looking for something completely different.

Our ethos is simple - one of relaxation and enjoyment mixed with adrenalin and excitement! Whether you want to use the club cottage and estate for gentle 'get away from it all' weekends, or if you are an adrenaline junkie who wants to blast across the Solent at 50 knots in our power boat 'Monkey Puzzle' before going kite surfing, Club Monkey Puzzle has something for everyone.

Our Accommodation - Woods Cottage

Many of us often dream of having a country bolt-hole to escape from the pressures and rigmarole of every day life. But if given the chance, what form would that place take? We think we've got the perfect answer.... a beautiful newly refurbished, four bedroom cottage in its own extensive grounds.

With its own private foreshore just yards from the front door, looking over a small tidal creek and situated in one of England's most visually stunning maritime areas, this little piece of

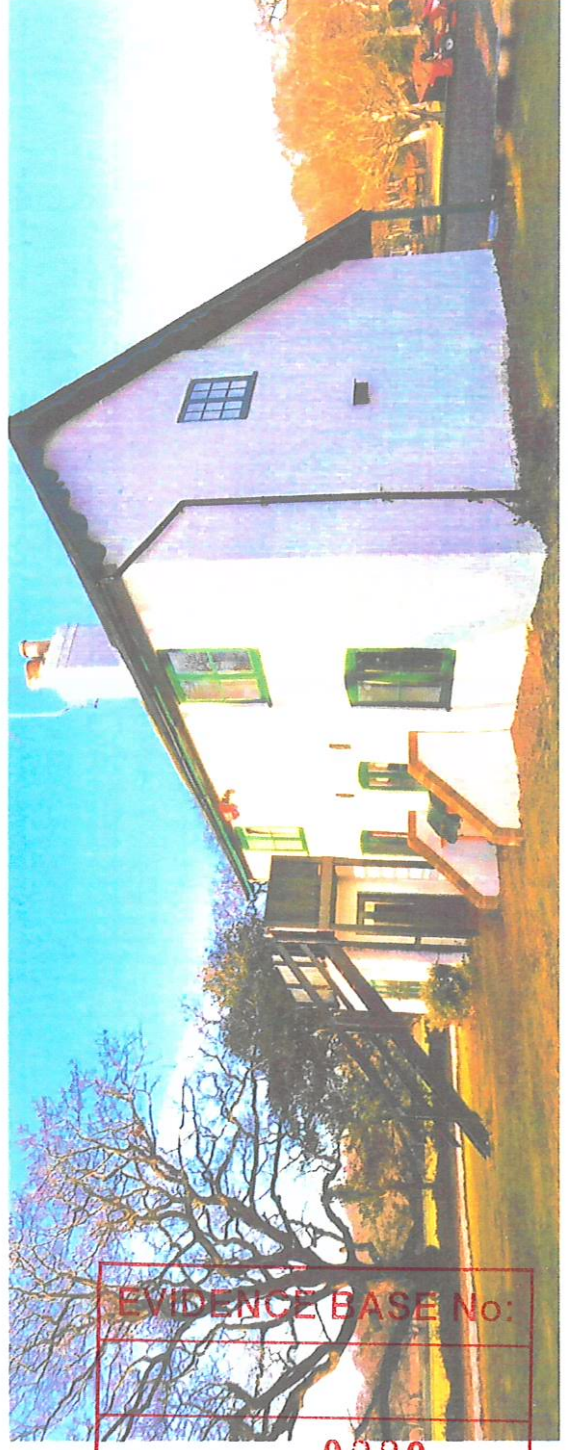

England is only 70 miles from central London but when you get here and start enjoying yourself, it feels miles away from anywhere.

Woods Cottage is nestled in Tournbury Woods and was originally built in 1873. It has been extensively and lovingly restored using the best possible materials and to the highest standard in 2008. Woods Cottage is what every country cottage should be.

The cottage consists of 4 bedrooms (one with en-suite shower), sitting room, dining room, master bathroom, additional WC, utility room, boot room / entrance hall and a spacious kitchen and relaxing area. With no immediate neighbours (our nearest neighbours are on the other side of the creek), you will feel an immediate sense of space and privacy, from the moment you arrive.

To learn more about *Woods Cottage*, go to www.clubmonkeypuzzle.com and take our virtual tour

Benefits of Membership

We think we have come up with a unique proposition at Club Monkey Puzzle. Where else can you have access to and use of a 50 acre wooded estate, in an Area of Outstanding Natural Beauty, with its own private foreshore, stunning cottage, fast powerboat and a host of activities to keep you and your friends or colleagues entertained?

Corporate Membership

Club Monkey Puzzle corporate membership is designed for two purposes, either as an incentive or reward for staff success or contribution and as a unique corporate hospitality venue.

With so many hotels and venues offering corporate hospitality services, all boxed and packaged much the same, more and more businesses are asking themselves the same questions. 'How do we get closer to our clients? How do we get to know them better and offer them an experience that is unique as well as getting outstanding value for money?'

Club Monkey Puzzle corporate membership has been designed as a country club that offers a complete range of sporting and outside activities.

Imagine at your next meeting with a client when you are trying to win a major piece of business, you invite them to come down to your country retreat to try kite-surfing and power

Private Membership

The idea of our private membership is to provide our members with a weekend retreat / holiday home with access to a large range of facilities and entertainment – but without the capital outlay and maintenance charges that go with owning a second home.

For the same amount it would cost to keep a holiday home insured, council taxed, maintained etc, Club Monkey Puzzle offers a very compelling proposition. If you enjoy the English Countryside, being by the sea, sailing, windsurfing, kite-surfing, shooting, golf, racket sports, walking through woodlands, spending real time out with family and friends in a peaceful and unique setting, then Club Monkey Puzzle is for you.

Boat Only Membership

Boat only membership or 'BOM!' as we like to call it, has been designed for those of our members who really enjoy being on the water but live close enough to the South Coast and the Solent to be able to make regular day trips possible and therefore they will rarely require the use of Woods Cottage.

This package allows BOM members use of the Rigid Inflatable Boat (RIB) Monkey Puzzle at outstandingly low prices for day charter use, whether bareboat (providing they have the right qualifications) or fully skippered. (Please note, terms and conditions do apply)

BOM members can book overnight stays and use of Woods Cottage, but have to pay retail rates not member's rates. For those who love being on the water, the primary benefit of BOM is to have use of and access to a fabulous, go anywhere RIB, without any of the initial capital outlay or ongoing considerable expense and hassle of owning, insuring and maintaining their own craft.

For awesome days out on the Solent
www.monkeypuzzleribs.com

Welcome to our world, once you've sampled this magical place you really won't want to leave...
