

Thank you for your comments.

I can confirm that 3 parking space are available on the existing driveway as shown on the attached revised plan P_01B.

There is no intention to divided off the property and I confirm the current annexe is being used as an annexe for elderly relatives and it is intended to remain the same. The extra space is to provide separate rooms for hobbies.

I trust this answers your concerns, but please call should you wish to discuss further.

Kind regards

Martin
