

This is a black and white architectural elevation drawing of a two-story house. The house features a gabled roof with a central dormer. The second floor has two rectangular windows with horizontal dividers. The first floor has a large glass door on the left and two windows to its right. The drawing uses various line styles to represent different materials and features, such as solid lines for walls, dashed lines for glass, and hatching for the roof and foundation.

A detailed architectural line drawing of a two-story house. The house features a gabled roof with a wide overhang. The exterior walls are finished with horizontal siding. On the left side, there is a front entrance with a small, square, four-pane window above the door. To the right of the entrance is a large, multi-paned window consisting of four vertical sections, each with two horizontal panes. The house is set on a foundation of stone blocks. The drawing is a black and white line art illustration.
