Dear Madam,

adj to 9 St Albans Road, Havant PO9 2JP

**Demolition of existing single storey extension and detached garage.
Construction of 1no. new 2 storey dwelling house attached to the side of the
existing property forming a continuation to the terrace including associated
vehicular access, car parking and landscaping for both the new and existing
property.**

Thank you for consultation on the above planning application.

The applicant is proposing to extend the existing dropped kerb on Dunhurst Close to facilitate access to the new parking bays. To carry out these works, a Section 171 licence will be required, further details of which are available on the following link: <https://www.hants.gov.uk/transport/licencesandpermits/roadopening/section171>.

As the parking authority, Havant Borough Council should determine whether the proposed parking provision meets the adopted parking standards.

The Highway Authority raise no objection to the proposed development.

Yours sincerely,

Chris Hirst
