

The Highway Authority recommend no objection subject to :-

Conditions

1. Prior to use commencing any gates or other obstruction to the passage of vehicles on the access shall be a minimum of 12m. measured from the nearside edge of carriageway of the adjacent highway.
2. Prior to the use commencing the access shall be improved as indicated on the approved plan by the provision of a 4m. radius on the north side and visibility splays of 2.4m. x 33m. to the north and 43m. to the south. Anything other than street furniture shall be removed from the splays and they shall be maintained at all times thereafter.

Note to Applicant

Before undertaking any work which affects a public highway you must obtain specific written approval from the Director of Economy, Transport and Environment at Hampshire County Council and enter into or secure any necessary legal agreements or consents to enable the works on a public highway to proceed. It is an offence to carry out unauthorised works on a public highway. This requirement applies to the alteration of vehicle accesses involving excavation within a footway, verge or carriageway and other works on or to the public highway.
